Dear Celebrity,

I am a veteran collector of famous autographs and would like very much to add your signature to my collection of over 3,500 signed letters, photographs and cards. My collection dates back to 1825 and includes hundreds of manuscripts from a wide variety of outstanding persons from all imaginable fields. The present value of my collection, which I started in 1946, is worth more than \$2,500.00 today.

I have followed your interesting career for sometime and feel strongly that my collection would never be complete without your signature. Thus, I would be greatly honored to include your holograph in my sortite. I would appreciate you signing the inclosed cards and returning same to me in the provided self-addressed and stamped envelope.

Believe me, I know how valuable your time must be and I hope this request isn't too much trouble. If at all possible I would treasure a personally autographed picture. Many thanks for your time in this matter, I'm looking forward to hearing from you in the near future.

Sincerely yours,

Aaron W. Dodek
